

March 7, 1974

SENATOR SKARDA: Leave it alone....take it back to the committee.....be satisfactory with me.

SENATOR CARPENTER: Okay, let's.....is that satisfactory with you, Senator Goodrich? Or do you want to.....

SENATOR GOODRICH: Yes, let's...if Bill says let's take it back to committee, let's take it back to committee and let him have his input.

SENATOR CARPENTER: No, he doesn't want it back in the committee and I presume he has some reasons for it. I move we leave it on General File, make a supposition motion and leave it on General File.

PRESIDENT: Just a moment, Senator Goodrich has a motion before the house. Do you wish to withdraw your motion, Senator Goodrich?

SENATOR GOODRICH: No, I move we return it back to.....

(End of Belt #8A)

(Begin Belt #9A)

the committee so Bill can have his input unless....just take a vote on it and be done with it.

PRESIDENT: Any further discussion? Senator Carpenter.

SENATOR CARPENTER: Is this subject to an amendment?

PRESIDENT: No, I don't....we can't it in the rules, Senator Carpenter.

SENATOR CARPENTER: Well, I have no objections or desire to argue the rules at this late time.

PRESIDENT: The motion is to return LB892 to the committee.

SENATOR CARPENTER: That is the question, Mr. President, if we want to leave it on General File, we vote down Senator Goodrich's amendment. That'll leave it like it is. Thank you.

PRESIDENT: Senator Goodrich.

SENATOR GOODRICH: I'd like to add further that Senators Clark, Skarda, Warner and Waldron all four join with me on the motion to bring it back. They're all members of the committee and they all join with me on the motion to bring it back. So it's for that reason that I would suggest that we go ahead and bring it back.

PRESIDENT: Ready to vote? Those in favor of re-committing LB892....Senator Syas.

SENATOR SYAS: Just one thing, if it comes back, it'll lose its place on General File and it'll be dead last and now it isn't quite dead last.

PRESIDENT: Those in favor of re-committing LB892 to the committee vote aye. Those opposed vote nay. Senator Whitney voting aye. Have you all voted? Clerk will record.
